

PAPER HAT

WHAT YOU'LL NEED:

Paper

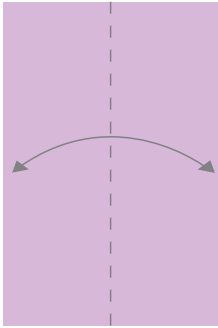

A pen or marker

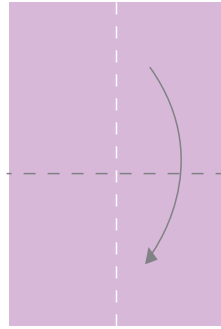

A little imagination

1

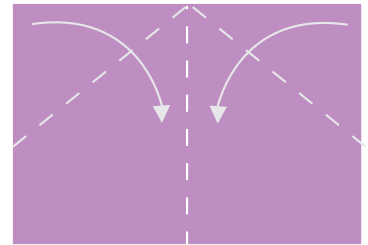

Start with a rectangular piece of white paper (try an 11x17 sheet). Fold the paper in half (lengthwise) and open.

2

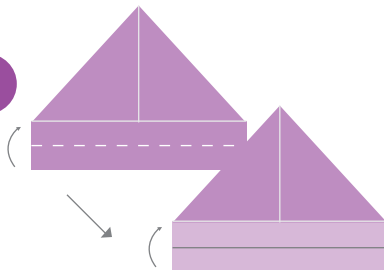

Now fold the top down to the bottom edge. Crease well.

3

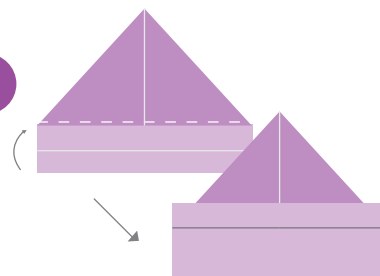

Fold the top corners down to the centerline.

4

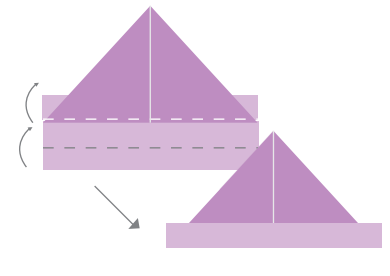

Fold the bottom edge (uppermost layer only) up to the base of the triangles.

5

Fold this part up once again, and crease well.

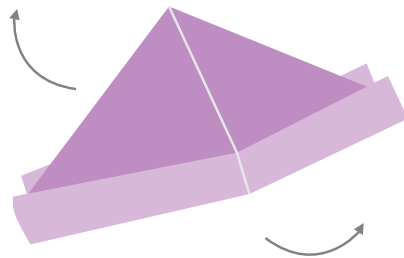

6

Turn model over, and repeat steps 4 and 5 on the other side.

You've made your own **paper hat!**

Open up the hat to shape it. Your hat is now finished! Have fun wearing it around for the day.
