

TALKING PUPPY

WHAT YOU'LL NEED:

Paper

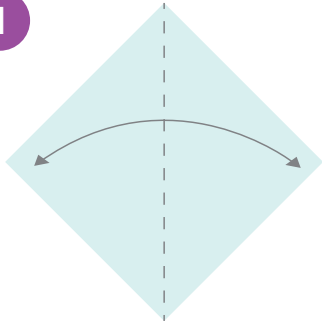

A pen or marker

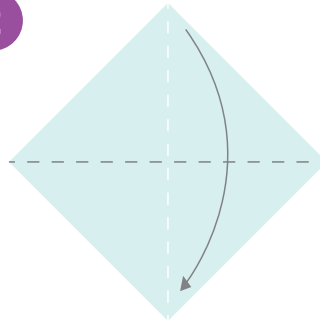

A little imagination

1

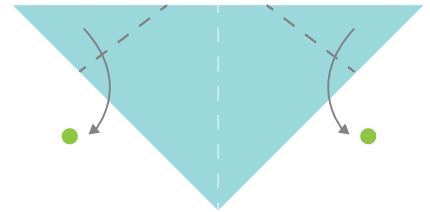

Start with a square sheet of paper, colored on one side. With the white side up, fold in half, and then open.

2

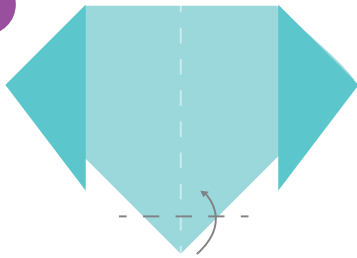

Fold the top corner down to the bottom corner.

3

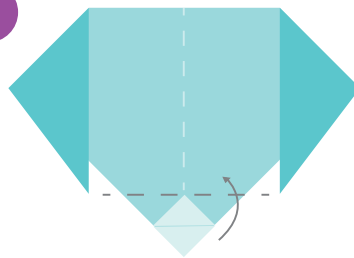

Fold the two top corners down to the points shown.

4

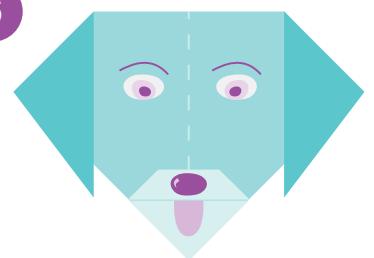

Fold the uppermost layer of the bottom corner up a little way.

5

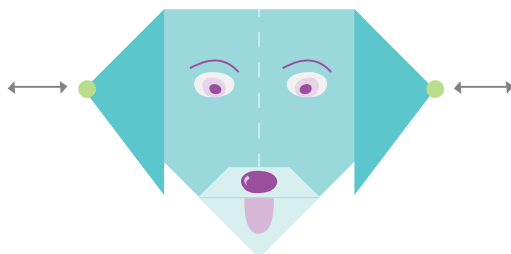

Fold this layer up again, from the top of the triangle as shown.

6

Use a pen or marker to add eyes and a nose to the puppy's face. If you like, you can even add a tongue!

To make your dog talk, hold the model by the ears and move back and forth as shown by the arrows.

You've made your own **talking puppy!**
