

WIGGLY ICE

WHAT YOU'LL NEED:

- Gummy worms or bugs
- Ice cube tray
- Water or fruit juice

HOW TO MAKE:

- STEP 1** Put the gummy worms or bugs in an ice cube tray, letting them stick out of the top and sprawl over the edges.
- STEP 2** Fill the tray with water or your favorite fruit juices and then freeze.
- STEP 3** Add cubes to a your favorite beverages. Then try to scare your friends with these fun creepy crawlers.
